Price:	€380,000	Beam:	3 m 53 cm	Max Speed:	29 kn
Condition:	Used	Name:	Lady N	Max Draft:	0 m 99 cm

Description

The T36 Crossover combines the functionality of a Trawler with the adventure of a touring yacht. A boat that combines a dynamic sailing experience with incredible interior comfort.

On deck, the hard top and the extensive sheltered area on the main deck can guarantee comfort at all times. The square deck has a full glass cover offering comfort and protection without blocking natural light and visibility. A glass sliding door closes off this area, making your stay on board enjoyable no matter the latitude, and during the hottest periods throughout the day (thanks to the air conditioning system), or the coldest months.

Natural ventilation and good air circulation are provided by the two bow facing skylights on the hard top: so, when it's hot, all you need to do is open a skylight for some fresh air.

Even with the door closed, you still feel like you are part of the outdoors. The cockpit, both internally and externally, is distributed over one floor, without steps: the T36 Crossover promises to make your access to the sea immediate, easy and direct.
