# Italian Yacht - Cranchi® T36

## Crossover pure Luxury

Words &  
Photographs by  
**SUSTAINABLE  
CHARTERS, INC**

With over 147 years of luxury boat making – Cantiere Cranchi®, located in Lago di Como – Italy, is proudly entering the Philippines through Sunstainable Charters Inc. (www.cranchi.ph). Cranchi® has been among the 5 giants in the world leisure Yacht industry. Cranchi® is the most advanced and most automated boat manufacturer in the world. This is the reason why Cranchi® fulfils the quickest delivery time frame in the Yachting world. The featured Cross over T36 is literally a marvel in luxury yachting, at nearly 39 feet and about 12 Feet wide, the T36 Crossover, is the perfect match for those who want to spend the right price for a Luxury Yacht. This Yacht has been designed as a Luxury Yacht reaching up to 32 knots in speed, and with it's high ceiling design being also a Trawler, specifically designed for cruising at comfortable speeds of 13-18 knots, keeping in mind all the comfort you'll ever dream about. In short the best of two world – reunited in a one of kind Luxury Yacht - the Crossover T36.

With it's dual 300HP Volvo Penta, totalling a massive 600 HP and tremendous torque power, this yacht is your luxury home at sea. The Italian hand made Interiors and details of materials, make some 5 star hotels blush. The interiors come with the highest headroom space in it's category. The first reaction when you step aboard a T36 is : "unbelievable how much space, and so much light comes into the cabins !". The Interior finishes

are handcrafted from the finest Italian Furniture makers, most distinguished Interior suppliers. The level of luxury and details with Cranchi® is honestly overwhelming. The main reason is that Cranchi® offers, together with its partners, an unique bespoke Interior design and procurement to all of its Owners. Like the ad hoc service, when you build a Super yachts, this is what makes the difference when you purchase a Cranchi® Yacht.

*Luxury Yachts Cranchi®  
Italian excellence  
unbeatable Budget  
directly from source.*

Cranchi® collection of Yachts represent a range from 2ft up to a massive 78 feet Luxury Yachts. The Super yacht 78 feet "SETTANTOTTO", will be unveiled to the world in FALL 2019. All along Cranchi

® Yacht, its about Sustainability and economical engines, especially designed Volvo Penta, using technologies such as the SPCT - "Speed Progressive Consumption Technology", which guaranties low consumption, and even more at full speed, yes you heard right! Cranchi® offers the highest in Maritime Yacht technology and Automated Controls such as CTC - "COORDINATE TURN CONTROL" – in order to control your boat perfect turn angle in all waves; the AL - "AUTO-LIST" which controls the boat's transverse trim – for full safety and optimum comfort; the ATS "AUTO TRIM" which automatically corrects longitudinal alignment when the gait varies. Last but not least your T36 is pre-installed with the IHFB - "INTERCEPTOR HUMPHREE FLAP BLADE" which allow adapted performance at low and high speed, totally automated systems. For all these and many more reasons, the Cranchi® CROSSOVER - T36 is the Yacht that has been nominated as the "Best yacht 2019" with 39 feet". Now there is only you to warmly welcome you aboard, and the Cranchi® Yachts Collection. ▲
