

T 36 CROSSOVER PROFILE

Humphree interceptors - factory standard on Cranchi T 36 CROSSOVER

Boat producer Cranchi, a partner of Humphree since 2008 continues to launch new great boats. Cranchi, founded in 1870 only use premium products for their boat and yacht lines stretching from 24 to 60ft.

As other larger models in their fleet, the latest model, the T36 Crossover will feature Humphree interceptors as standard. The T36 will feature X450 interceptor trim tabs, a 450mm wide high performance interceptor with a 50mm stroke.

“We use Humphree interceptors on our boats since this is the perfect match for our high quality boats. The best trim system for the best boats” says Guido Cranchi, Vice President at the famous shipyard.

For more information please contact Per Landegren, Managing Director, Humphree.
