CRANCHI SESSANTASETTE 67

CRANCHI SESSANTASETTE 67 – life without limits

Benefiting from all the innovations introduced with the CRANCHI SETTANTOTTO 78, the SESSANTASETTE 67 also features an extraordinary combination of high-tech materials and equipment with no equal in the world.

The yacht therefore offers the highest safety standards and advanced solutions for stabilisation in adverse weather, efficient fuel consumption and emissions, noise reduction, as well as onboard automation and entertainment systems.
