CRANCHI SESSANTADUE 62

Sessantadue 62 won the European Powerboat Award 2025 in the up-to-24-metre category. A yacht that never makes you choose between the route and comfort.

Sessantadue 62 is built for relaxed long passages and extended life on board. The vertical stem increases the usable hull length, and continuous teak on the floor and ceiling joins the cockpit and saloon into one large terrace. Three guest cabins and seven berths make multi-day cruises with family or friends easy, while the full flybridge adds an independent open deck for helming and relaxing.

WATCH THE YACHT VIDEO REVIEW

Year built	2025
Engine hours	300
Draft (drives)	1.75 m
Marina berth	contract until May 2028
Cabins	3 guest + 1 crew
Berths	6 + 1
Guests	up to 16
Fuel capacity	3,300 l
Maximum speed	27.9 kn
Cruising speed	18-23 kn
Range	240 nm at 18 kn

Engines

2 × Volvo Penta D13 IPS 1350, 1,000 hp each (2 × 735 kW)
IPS, joystick, trip computer, cruise control

KEY ADVANTAGES

01

Marina berth until May 2028

The berth contract is already in place - no waiting list for a berth.

02

Nearly new, no waiting

Built 2025, 300 engine hours. Go to sea now, not after a year of building.

03

Europe's yacht of the year

European Powerboat Award 2025 in the up-to-24-metre class: Cranchi's new architecture with a vertical bow.

04

Three helm stations

Main deck, flybridge and cockpit: Garmin 22" and 19", radar, AIS, Volvo Penta IPS joystick.

05

Calm underway and at anchor

Humphree fin stabilisers, automatic interceptors and Seakeeper 9 preparation.

06

Custom finish

Smooth teak, gloss Pantone 7528, bespoke wardrobes in the master and VIP cabins: the owner invested in the details.

EXTERIOR

20.23 m flybridge with a hard T-Top; marina berth contract until May 2028.

UNDERWAY

Top speed 27.9 kn, cruising 18-23 kn; 2 × Volvo Penta IPS 1350, 1,000 hp each.

SALOON

Panoramic saloon with side glazing; fold-away TV and home cinema.

DINING & GALLEY

Dining area by the cockpit doors; galley with wine cooler and dishwasher.

HELM STATION

Two Garmin 22" displays, Volvo Penta IPS joystick, Humphree stabilisers.

MASTER CABIN

Full-beam master cabin: 55" TV, walk-in wardrobe, bathroom with two basins.

VIP CABIN

Bow VIP cabin with its own bathroom.

GUEST CABIN

Two beds convert into a double; own bathroom.

FLYBRIDGE

Hard T-Top with electric louvres, lounge area, second helm station with Garmin 19".

BOW

Bow lounge with sunpad and fridge; teak side decks and foredeck.

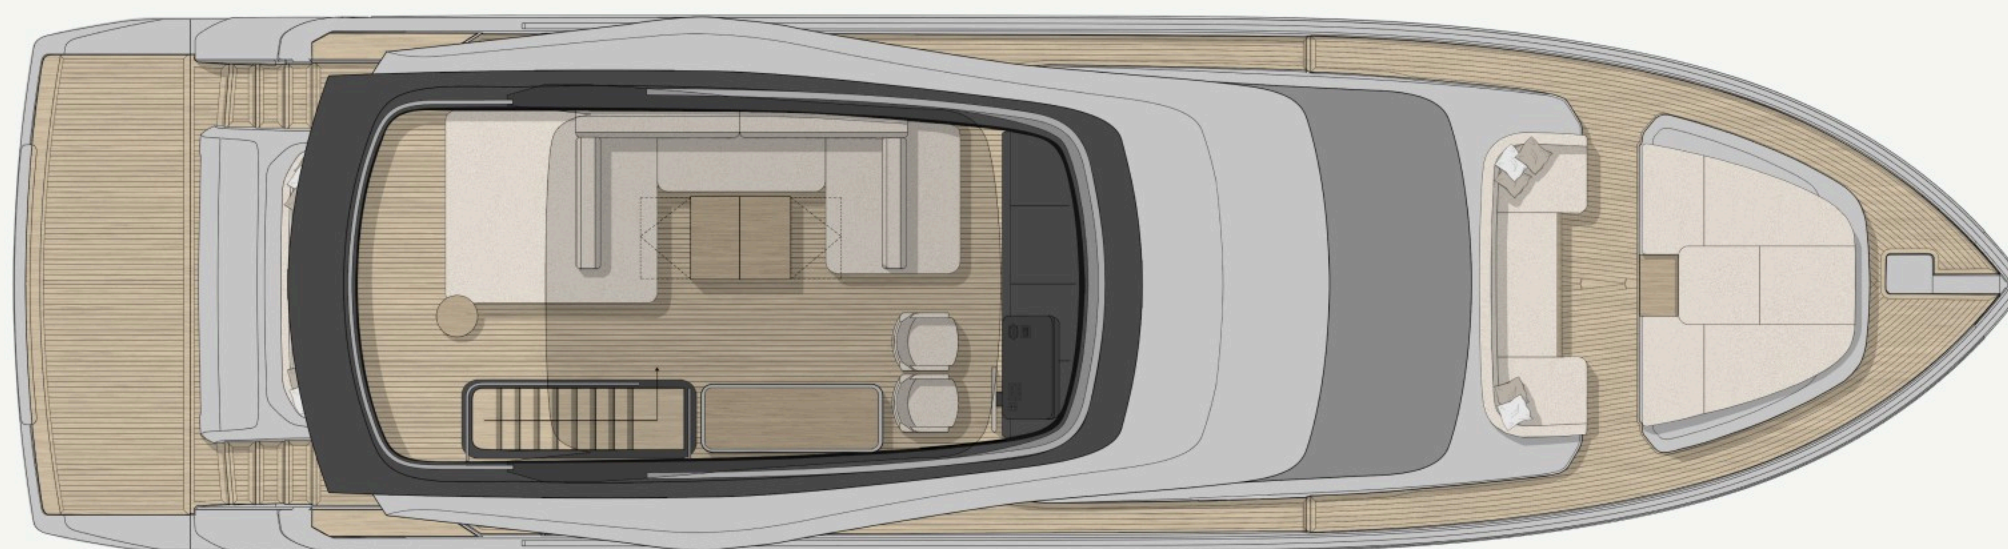

COCKPIT

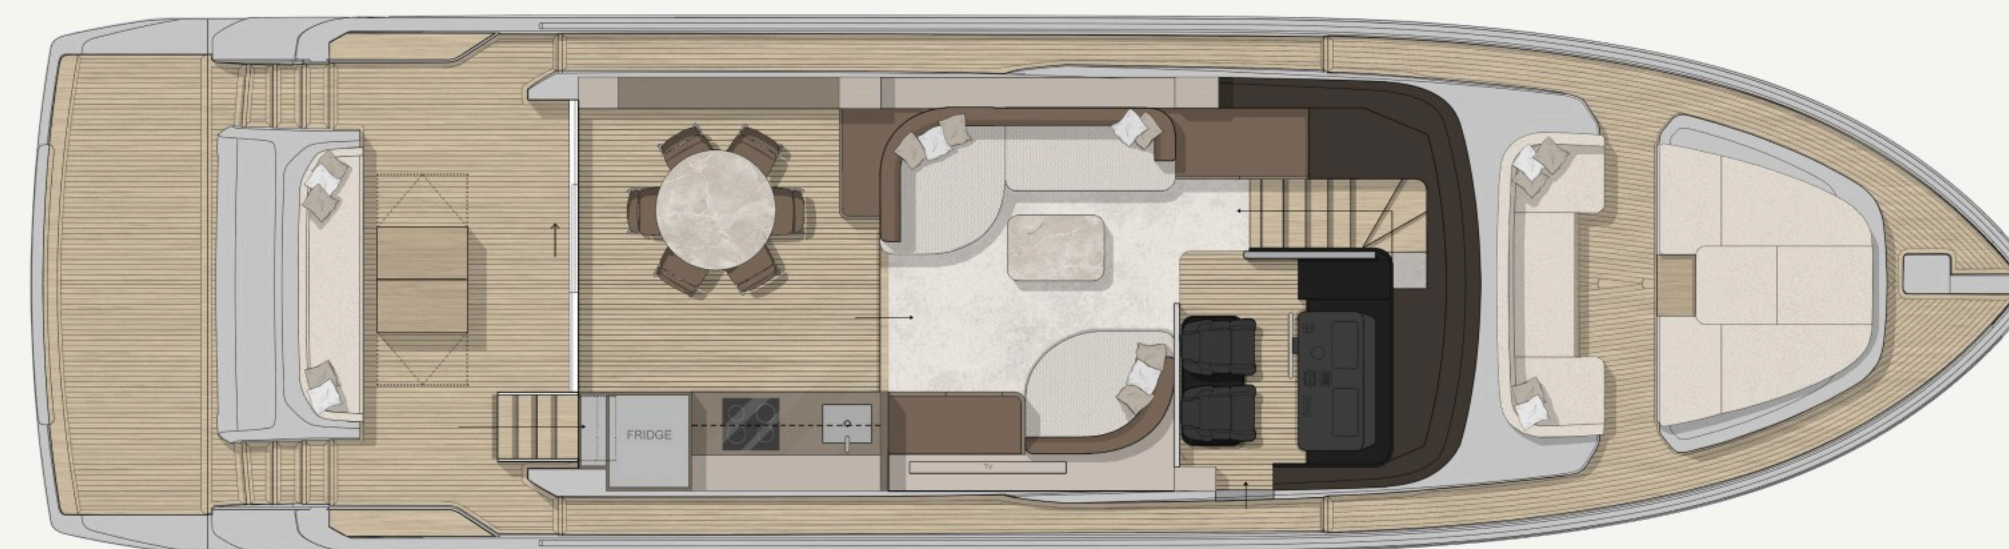

Cockpit dining area, third helm station and hydraulic swim platform.
